Friends,

Some of you have expressed a desire to become more involved with your local Police Department. I wanted to share some information provided by the Winter Park Police in hopes that you will attend their Neighborhood Advisory Meetings, their S.A.F.E. classes designed for Winter Park women, and become familiar with their website.

The next Neighborhood Advisory Meeting is scheduled for **Tuesday November 4th at the First Christian Church of Winter Park located at 1140 South Lakemont Ave from 6 to 8pm.** They will briefly speak about the homicide case and other cases they have been actively working. As soon as they have a complete agenda they will send it out through their newsletter.

Anyone can sign up for the Winter Park Police Department newsletters on their website WPPD.org. On the main screen look for a blue icon that states "Sign up for WPPD Newsletter". The icon is located on the right-hand side of the page just below the photo.

Due to increased interest, the department has scheduled another **S.A.F.E. program for Thursday December 14th from 6 to 8pm.** Any female who is interested in attending the class can sign up on the website at WPPD.org. On the main page it is listed on the bottom right-hand side under "feature programs" and you can sign up for the class. Below is a description of the class:

What is the S.A.F.E. Program?

It is an initiative to STOP Violence Against Teenage and Adult Women.

"S.A.F.E." (an acronym for Self-defense Awareness & Familiarization Exchange) is a **FREE** unparalleled 2-hour educational awareness, crime-victim prevention program designed by the National Self-Defense Institute. This program encompasses Strategies, Techniques, Options, and Prevention - that provides teenage & adult women with information that may reduce their risk of exposure to violence and introduces them to the basic physical aspects of self-defense.

Be Informed, Be Safe,

Carolyn
